```

The diagram illustrates a dependency structure. At the bottom, a grey rectangular box contains the text 'glowbit.glowbitMatrix.graph2D'. Two blue arrows originate from the top edge of this box. One arrow points diagonally upwards and to the left, terminating at the bottom edge of a white rectangular box containing 'glowbit.colourFunctions'. The other arrow points diagonally upwards and to the right, terminating at the bottom edge of a white rectangular box containing 'glowbit.colourMaps'. All boxes have a thin black border.
